

RISE SPEDITION

Rise with us! Everywhere for you!

Who are we?

Established in 2008 with fully private capital, by the Dan brothers, Razvan and Raluca, Rise Spedition has as main field of activity the domestic and international road freight transport by its own or rented trucks.

Moreover, the company is licensed for national and international road freight transport forwarding activities, its portfolio including more than 150 active clients and more than 300 transport companies contracted in various countries and locations within Europe, so that any destination can be considered “close to home”.

Rise Spedition offers a wide range of transport and logistics services, according to the needs and expectations of every client. Our fleet is specialized in automotive, consumer goods, food industry, pharmaceutical industry and chemicals industry.

We love every challenge because only the challenges have helped us to improve and become one of the best rated forwarding and transport companies from Romania.

What is our vision?

Our vision is to implement and observe a permanent development plan within our organization and structure, to have a continuous quality development and complexity of the services we are providing, so that, until the end of 2020 to be nominated in top 3 transport companies from Romania.

What is our mission?

Since the beginning, we imposed through our professionalism and competence, consistently providing quality services to our clients and always turning our attention to meet their needs and demands with seriousness and devotion.

Our mission is a constructive and efficient use, at the maximum power, of our individual inner strengths, so that we can make the mental construction we have elaborated, come true.

What values are we sharing?

In the background, there are two Mercedes-Benz trucks, one on the left and one on the right, facing forward. They are rendered in a light, semi-transparent style, allowing the text to be read over them. The trucks have the Mercedes-Benz logo on their grilles.

Through reliability, promptitude and receptivity, we add efficiency to the companies to which we provide services, offering them better, precisely measurable results, helping them to justify the confidence granted to our partnership.

We are a young team, full of enthusiasm, with well - developed sense of creativity, and with permanent goals and targets to obtain excellence in our work.

Our responsibility and flexibility help us to permanently evolve and to develop a healthy business, minimizing the risks to which we are exposed through the application of some modern and innovating strategies.

Our fleet?

Our company can offer for our clients disposal the following own transport vehicles:

28 trucks - 3.5 tons;

15 trucks - 7.5 tons;

68 trucks - 40 tons Standard Tautliners;

18 trucks - 40 tons Frigo, Doubledeck, ADR equiped;

- Bacau, centre of logistics and storage- 4000 sq m*
- Focsani, centre of logistics and storage- 1500 sq m*
- Iasi, storage space- 300 sq m*
- Timisoara, storage space- 300 sq m*
- Bucuresti, storage space- 300 sq m*
- Onesti, centre of logistics and storage- 2000 sq m*

Our team?

We are proud to have built one of the most efficient, communicative and involved teams that grew up next to us since our beginnings.

Monitoring systems

Most of the vehicles we can provide for our clients are equipped with modern monitoring and GPS systems, so that the transport coordinators within our team to be able to provide any time information regarding the position, as well as on the activity and schedule of the vehicles.

Permanent training

Both for safety reasons and because of a constant need of cost savings, for us and our partners, we organize constant training sessions for our drivers, so that they learn a preventive and economic driving method, selecting very rigorously their team.
